BANK OF NAPA ANNOUNCES NEW "COMMUNITY SPIRIT" CHECKING ACCOUNT

We are pleased to announce that we have introduced a new "Community Spirit" checking account in partnership with local non-profit organizations benefiting youth and education within Napa County. For each Community Spirit account opened, Bank of Napa will make a donation to a non-profit organization of the customer's choice. Special checks will identify customers as a "Community Spirit" supporter.

The Community Spirit account is a personal checking account with no monthly service charge, and includes banking features that provide flexibility and convenience for customers. President & CEO Tom LeMasters praised Bank of Napa employees for coming up with the Community Spirit account concept. LeMasters said, "I am very proud of our employees for their initiative and desire to help our community. In addition to the many volunteer hours our employees give to local non-profits, we have come up with another way to support our community. This is a 'win/win proposition' - customers will enjoy a superior banking experience, and nonprofit organizations will receive

needed support."

Community Projects was chosen as the first beneficiary of the Community Spirit partnership. CP's Board of Directors stated, "Bank of Napa has accommodated us in so many ways - from allowing us to use their boardroom as a 501-C-3 organization, to helping us with our daily business needs. Their entire staff could not be any nicer!"
