Dear President Tom and Staff:

Thank you all so much for your generosity to our community and specifically to our Club through your "Dress Down Fridays" program.

Not only are you doing something to engender employee satisfaction, you are also spreading that warm fuzzy feeling throughout our community. You have also helped us in our own public relations by putting our name in your lobby and having your employees get to know us and our programs better - and be able to pass that along to the community at large. In addition to all of this, you graciously allow our Club the use of your conference room for our Board meetings.

In these tough economic times, every donation is welcome. And at a time when banks are failing, we see your commitment to the community as the type of program that will help you and us flourish.

Bank of Napa truly serves the needs of the Napa community and has gone over and above for our Soroptimist Club. I couldn't be prouder to be a partner with Bank of Napa because we at Soroptimist International of Napa believe that the community we live in can be that much better if we all work together to improve each other's.

To make a slight change to your motto - SI Napa members would say: "Seriously, it is time for a better bank....and Bank of Napa is it".

Thank you again for all you do. We look forward to a long and happy partnership with you.

Warmly,

Shannon Richards, President  
and the Board of Directors  
Soroptimist International of Napa
